Nomination Review Process

The Woman Defining Philanthropy Award committee will review all nominations and select the 2016 recipient in early March. This award and the Young Woman Defining Philanthropy Award will be presented at the Women's & Girls' Fund Annual Luncheon on April 27, 2016. The committee is responsible for the final selection. (In the unlikely event that the committee feels that no nominees have met the criteria, the awards may be withheld).

The Woman Defining Philanthropy Criteria

- Nominee must have demonstrated a philanthropic spirit through personal giving and/or inspiring others to support charitable organizations.
- Nominee must have exhibited a long term commitment to and a passion for bettering the lives of Kern County residents
- Nominee should have a focus on seeking solutions to a problem rather than easing the symptoms.
- Nominee should inspire others to take a leadership role in philanthropy.

In addition to a completed nomination form, the following attachment is a requirement for consideration:

A one-page summary about the nominee that addresses the nomination criteria including examples of how the nominee has helped improve the quality of life in Kern County. Please do not send a resume, verification of submitted information is routinely confirmed.
