## Our Purpose

WE will transform the lives of women and girls in Kern County by mobilizing the power and passion of women working together.

**Women Educate** to create awareness of women's and girls' needs unmet by current strategies.

**Women Endow** a permanent fund whose annual yield supports programs benefitting women and girls throughout Kern County.

**Women Empower** one another and our girls to become philanthropists and advocates of positive social change.

## About the Fund

The Women's and Girls' Fund is primarily a volunteer effort supported by Kern Community Foundation and guided by the leadership of the Vision Committee. The assets of the Fund are professionally managed and invested by Kern Community Foundation, which also provides oversight of Fund grant decisions.

## Kern Community Foundation

The Foundation is a vibrant nonprofit enterprise with a powerfully simple mission of growing community and growing philanthropy. We are in business to serve as a charitable resource for local donors, and to generate capital that provides philanthropic solutions to help make Kern County a better place to live, to work and to visit.
